

Due to Covid-19

Please remain in your car & call us
when you arrive
516-223-1555

We will meet you at the front door,
an assistant will bring your pet into
our hospital for the scheduled visit
while you return to your car.

The Doctor or Staff member will
call you for a medical history.

**Please call ahead to order medication
and/or Prescription Diets**

Thank you for understanding, your health & your
pet's health are our primary concern.
